WEAR YOUR OWN BUSINESS ATTIRE DAY

FRIDAY, 16th APRIL

All proceedings go to Casa Guatemala, a home for orphaned and homeless children, and also for extremely poor families. Children at Casa Guatemala are provided with shelter, education, medical care and a healthy environment. Help us help them, and have fun doing it!

And why waste many hours making yourself look so great? Instead join us at the night food market that same evening.

The ASIAN NIGHT FOOD MARKET'S are raising money for Casa Guatemala also. Come and enjoy the tantalizing tastes of Asia, with 6 stalls featuring the cuisines of China, Korea, Japan, Thailand, India and Turkey! Be entertained with music and competitions, and prizes too!

Join in with us, and help the children at Casa Guatemala!

DON'T FORGET TO DONATE A GOLD COIN ON THE DAY

i-Graduate International Student Barometer

ICMS Green Team

Who are the Green Team?

The ICMS Green Team works actively to make the International College of Management, Sydney a more sustainable place to live, work and study. We welcome all students to get involved in finding ways to improve recycling and sustainable practices on campus. Raise issues of non-sustainable practices and investigate ways to become a more eco-friendly campus.

Typical Green Team Activities

- Raise awareness about environmental activities on campus
- Get involved in local environmental activities and events
- Design solutions to increase sustainable behaviours
- Play a role in the upcoming Earth Day events

To contact the Green Team email Lisa at lpapallo@icms.edu.au

JOIN US ON THURSDAY, 22 APRIL AT 11:30 FOR THE OFFICIAL LAUNCH

WANT COVER FOR THE SMOKING AREA?

THE SRC HAVE APPROACHED MANAGEMENT ABOUT GETTING PROPER COVER FOR THE SMOKING AREA, AND THEY ARE **CONSIDERING IT!**

THE ONLY PROBLEM IS THE STATE OF THE AREA. THE SRC ARE PAYING TO HAVE IT CLEANED TWICE A WEEK, BUT THIS IS NOT ENOUGH. THERE ARE PLENTY OF BINS AND OVER 10 ASHTRAYS. PLEASE HELP KEEP THIS CLEAN SO WE CAN GET MORE THINGS LIKE A COVER FOR YOU. **MAKE THE SMOKING AREA A CLEAN PLACE!**

New Recycling Facilities at ICMS

The Green Team are proud to launch the following new recycling facilities to ICMS:

Cork Recycling -

Drop them at reception and the functions office.

The corks are sent to manufacturers where they are recycled and used in products such as floor tiles, horse-float mats, boat decking, kindergarten flooring and inners for hockey and cricket balls.

Mobile Recycling -

Drop them at reception.

The gold, silver, copper, nickel, cadmium and plastics in the mobiles can be turned into jewelry, stainless steel, batteries and plastic fence posts and pallets.

Battery Recycling -

Drop them at reception, student services and IT support office.

Batteries can contain plastics, metals and toxic metals such as cadmium, mercury and lead. Used rechargeable batteries are a hazardous waste and should not be placed in the rubbish bin. This includes batteries in laptops, mobiles, tools and cameras.

Printer Toner Cartridges -

Drop them at the IT support office.

Australians throw away more than 18 million printer cartridges every year. This amounts to over 5,000 tones of material, including laser toner cartridges, inkjet cartridges, photocopier toner bottles and drums, that will eventually end up in landfill.

Bandicoots!

Once upon a time the bandicoots lived in abundance throughout the Sydney region. However as Sydney becomes a further urbanised location, habitat loss and the increase in domestic animals such as cats and dogs and dangerous roads has resulted in very few available habitats for the bandicoot. One of the few regions left is North Head, this area is closed at night to reduce road kill. To help the survival of the bandicoot please keep your pets on a leash when walking around the College and check behind your tyres before you drive as bandicoots use the heat of your tyres to stay warm.

'Coots Report

Last Saturday the Coots Colts and Old Coots played their opening matches against Mosman. Unfortunately both teams lost and there were one or two injuries but I'm sure the boys were just glad to get back out on the field. Well done to Simon Burke who got called up to 2nds for the week. Home game this Saturday 17th is at Melwood Oval so come down and show your support! Times TBA.

ICMS v. Manly English College

Tuesday night saw the final round of the ICMS 3 on 3 basketball tournaments. ICMS played the Manly English College and won an intensive game. We encourage all students to attend the grand final on Tuesday (Wk 11) at 7pm on the ICMS basketball courts. Good Luck guys!

Hats Off to WOW Factor for another great event!

The most recent WOW Factor gave ICMS the chance to show off some of it's best talent in a Mad Hatters tea party themed room. The event was organised by term five students and included the hilarious MC'ing from Mr. Paul Collins, a great performance by the one and only Susan Boyle and a best hat competition which went to Mr. Tom Bryan with an elegant beer helmet. All proceeds went to Bear Cottage and is definitely an event to attend next term! **MORE PHOTOS ON THE ICMS CAMPUS PAGE**

Hope for Tomorrow

Next **Sunday 18th April 2010** please join us at The International College of Management, Sydney for **The Hope for Tomorrow Family Fun Day**.

The Hope for Tomorrow Family Fun Day is being coordinated by the Term 5 event management students at ICMS. All money raised at the fun day goes to purchase a food van to feed the homeless families currently living on the streets of Manly and the surrounding suburbs. It is an incredible cause and we need to raise \$50,000 to purchase the food van so your attendance at the Family Fun Day next Sunday would be extremely appreciated.

From 11am – 4pm bring your whole family and join in the family fun, with free entry to the fun day with rides, amusements, a special appearance by Taronga Zoo, a guest appearance by Spongebob Squarepants, entertainment, divine international cuisine, a Moet Chandon Marquee, 4 Pines Beer Bar, Sand Art, Arts and Craft stall for the little ones, show bags, face painting, silent auction, market stalls, roving entertainment and much, much more.....
