

# Welcome

“ My hope for this annual magazine is that it will serve as a useful resource for you to support students at a time in their lives which is exciting but can also be daunting.

## Message from Carmen Herin,

School Engagement Manager

ICMS is committed to supporting students in achieving their personal and professional goals and providing them with a comprehensive education that includes both academic and industry-focused real-world skills.

Our team of Student Advisors are a vital part of your students' transition from school to higher education. We can offer advice on:

- Course selection
- Pathway options
- Entry requirements
- Early offer programs (UAC Preferences)
- Scholarship application advice

And, of course, we can support students with the application process.

It's essential for students to begin thinking about their career goals and aspirations. They should research different industries and career paths, consider their skills and interests, and explore potential job opportunities. Expos are an excellent way to speak to us at a booth, and I highly recommend that your students book a campus tour.

Students should also start to seek out relevant work experience and opportunities to develop their skills and knowledge. This can include volunteering, part-time jobs, and extracurricular activities. These experiences can help students build their CVs, network with professionals in their chosen field, and gain valuable hands-on experience. Moreover, these experiences can help students distinguish themselves when applying for scholarships.

Students should take advantage of the resources and support available to them, and this is where we require your help! You can provide guidance and advice on everything from selecting courses and applying for scholarships to preparing for job interviews and building professional networks. To assist you, my team and I would love to provide a school talk to your students about the ICMS experience.

If you have any specific questions or concerns about ICMS, please let me know, and I will do my best to provide you with accurate and helpful information. I look forward to working with you in 2023 and beyond!

# Why

The International College of Management, Sydney (ICMS) is a leader in career-focused education, offering undergraduate bachelor's degrees and postgraduate master's degrees that are internationally recognised in the same way as degrees from traditional universities.

ICMS is big enough to connect you, but small enough to connect with you. At ICMS we aim to create a personal learning experience for our students.

Being a 'Professional Mentor' to our students is not simply about the fact that 100% of our degrees include built-in Industry Training experience. It's an approach that is woven into all that we do, such as...

- Small class sizes mean you really get to know your lecturers and fellow students.
- One on one placement sessions with your Industry Training facilitator help place you in a role that aligns with your goals with one of our 1,000+ industry partners.
- Training and feedback on your interview skills, your LinkedIn profile and your CV will build your career readiness.
- Dressing in business attire develops a management mindset.
- Networking opportunities with potential future employers gives you valuable connections.

Support in the form of Academic and English Support, Wellness, Peer Assisted Learning, and Disability Support means you are given every chance to succeed.

Most degrees have no exams. Instead, we focus on authentic real-world assessments.

This means that ICMS students graduate with more than a degree. Each individual student is given the educational and practical tools needed to succeed in the industry of their choice.

As well as modern online classes, ICMS has two campuses:

- The iconic traditional sandstone Northern Beaches Campus, affectionately called the 'castle on the hill', which offers sweeping views over Manly Beach;
- The new modern City Campus in the heart of Sydney.

These spectacular locations offer a student experience that would be hard to beat anywhere in the world.

ICMS also offers standalone and pathway programs through Aspire Institute and the International Sport College Australia (ISCA).

**“I am so incredibly grateful to have had the support of ICMS throughout the experience of working while studying. We are all encouraged at ICMS to undertake work within our respective fields, which in turn enabled me to take up the fantastic opportunity of working for JLL while still a student completing my property degree.”**

# Undergraduate Courses

**BACHELOR OF BUSINESS**

Business continues to be one of the most popular qualifications – and for good reason. A qualification in business equips graduates with universally sought-after skills and offers opportunities in so many diverse roles and industries. The Bachelor of Business is ideal for those who want to make a tangible contribution to the success and growth of a business, push boundaries and challenge the status quo.

UAC CODE: 530016 (MANLY) \*, 530017 (CITY), 530015 (ONLINE)

**BACHELOR OF BUSINESS (ENTREPRENEURSHIP)**

Entrepreneurship focuses on developing the skills and knowledge necessary to identify and exploit business opportunities and manage business growth. While there is a specific emphasis on small to medium business and new enterprise creation, opportunities also exist in larger organisations seeking expansion or the development of new products and services.

UAC CODE: 530018 (MANLY)\*

**BACHELOR OF BUSINESS (MARKETING)**

Marketing is a fast-paced and fluid industry, demanding the best of your business creativity when representing brands and influencing consumer behaviour. The ICMS Bachelor of Business (Marketing) is designed to equip you with the knowledge and acumen you need for a successful marketing career in any industry of this diverse and dynamic business sector.

UAC CODE: 530022 (MANLY)\*, 530023 (ONLINE)

**BACHELOR OF BUSINESS (INTERNATIONAL TOURISM)**

International Tourism is the study of the global travel and tourism industry. Channel your adventurous spirit, business acumen and lust for travel into a rewarding career. As an international tourism professional you will be responsible for the management, promotion and marketing of destinations around the world. With an International Tourism qualification from ICMS you will combine core business and management skills with applied international tourism studies ensuring you are poised to enter a career in this exciting industry.

UAC CODE: 530061 (MANLY)\*

**BACHELOR OF BUSINESS (SPORTS MANAGEMENT)**

The ICMS Bachelor of Business (Sports Management) is a well-rounded and multi-disciplinary qualification that prepares you for sports management leadership. Whether you are interested in managing an individual athlete, sporting team or organisation, your Bachelor of Sports Management will train you to be a leading sports management professional with skills across many sports industry areas.

UAC CODE: 530121 (MANLY)\*, 530122 (ONLINE)

**BACHELOR OF EVENT MANAGEMENT**

The ICMS Bachelor of Event Management is your backstage pass to a professional business career in event management. From business events including meetings, exhibitions and conferences to social events including weddings, festivals and fashion parades – a professional event manager can make any event look seamless. During your degree you will get real-world industry training.

UAC CODE: 530021 (MANLY)\*

**BACHELOR OF HOSPITALITY MANAGEMENT**

From a 5 star New York hotel to a sun-drenched island resort, the ICMS Bachelor of Hospitality Management could place you anywhere in the world! Hospitality is one of the world's biggest industries with job opportunities in almost every country. Developed in conjunction with industry and featuring one of the most comprehensive Work Integrated Learning (WIL) components in Australia, the Bachelor of Hospitality Management represents the next generation in hospitality qualifications.

UAC CODE: 530041 (MANLY)\*

**BACHELOR OF BUSINESS (FASHION AND GLOBAL BRAND MANAGEMENT)**

It takes more than just innovative designs to build a successful fashion brand. Experts in marketing, merchandising, logistics, sales, retailing and more, contribute to bringing a product from the runway to the racks of our favourite stores. You don't need to be the next Anna Wintour or Gianni Versace to make an impact though; if you're passionate about fashion, studying fashion and global brand management is the best way to learn about what fuels this fascinating, multi-trillion dollar industry.

UAC CODE: 530019 (MANLY)\*, 530020 (ONLINE)

**BACHELOR OF PROPERTY (DEVELOPMENT, INVESTMENT AND VALUATION)**

The Bachelor of Property (Development, Investment and Valuation) offers opportunities to pursue a career in the property sector without limiting your employability to one specialised area of the property profession. The focus of the degree on three key, interrelated areas of the property profession - development, investment and valuation - differentiates it from other property courses and provides you with flexibility and choice in your future career.

UAC CODE: 530080 (MANLY)\*, 530081 (ONLINE)

**BACHELOR OF BUSINESS (ACCOUNTING)**

A business degree with an accounting focus will put you in a strong position to succeed in any industry, anywhere in the world. As the accounting profession adapts to evolving expectations, it is crucial to balance specialist business and accounting skills with 'soft' managerial skills, to enable you to make an impact in a range of complex, global environments.

## WORK INTEGRATED LEARNING

ICMS' vision is as 'Australia's leader of career-focused education' and preparing students for success in their chosen career is our highest priority.

A central element in achieving this vision is Work Integrated Learning (also known as 'Industry Training', 'Internship' or 'Professional Placement'); with all bachelors and masters degrees having built-in WIL subjects which include a professional placement. So all ICMS students graduate with more than a degree. The WIL experience provides students up to two study periods of professional placement within and industry of their choice and the opportunity to prepare for their future career, to apply (and further develop) their employability skills and gain valuable contacts and networks.

ICMS resource a dedicated office in support of WIL with a proud history of Professional Placement Consultants preparing and placing an average of up to 220 students per year as part of the WIL program.

We could not do this without our industry partners. Our WIL Team have worked with over 1000 industry partners. Long term partner, Walt Disney World Resort in Florida has hosted 50+ students on their Professional Placement. Closer to home, Northern Beaches Council, Lakeba Group and the Novotel Sydney Manly Pacific have hosted many students on their industry Placement over the years. Our industry partners help ICMS to shape the leaders of tomorrow and their continued willingness to support and mentor our students speaks to the continued success of the WIL program.

“

**It is so exciting that I can travel overseas to work for one of the world's biggest entertainment companies as part of my degree. This opportunity is allowing me to work the attractions at one of Disney's four parks, where I have the second role of working for ESPN Wide World of Sports. This whole process, in relation to the Work Integrated Learning (WIL) team have been so exciting, supportive, and encouraging.”**

**HIGH ACADEMIC PLACE (HAP)**

Obtaining a High Academic Place (HAP) means part of your tuition fees are subsidised by the institution. Eligibility for an ICMS HAP is available to those applying through UAC and will be assessed on the basis of the outcome from the admissions application interview, in combination with the ATAR. Standard admission criteria still apply for purposes of entry. HAPs are applicable to the trimester specified in the offer only.

Obtaining a High Academic Place (HAP) is of no greater value than the scholarship and acceptance of an ICMS Scholarship supersedes a HAP. HAP tuition fee reduction may not be utilised in conjunction with an ICMS Scholarship.

# Individual Entry Pathways

At ICMS we provide a range of entry schemes and pathway options for students which consider criteria other than pure academic results. From Early Entry for high-achieving students to Diploma pathway programs for those who may not be ready to commit to a full 3-year Bachelor degree, ICMS pathway programs are designed to recognise the student as an individual.

## **ICMS LEADERSHIP ENTRY PROGRAM**

The ICMS Leadership Entry Program provides consideration for applicants who have demonstrated significant leadership in their school and/or community. Applicants must currently be completing Year 12 studies and are a school captain/vice-captain, prefect or student representative council president/vice-president or member. In addition, ICMS seeks applications from students who have demonstrated leadership through their involvement with community organisations and clubs.

## **ICMS EARLY ENTRY PROGRAM**

ICMS has an Early Entry program for Year 12 students looking to secure an offer to ICMS based on performance in their Year 12 trial exams and an interview.

## **ICMS ELITE ATHLETES & PERFORMERS ENTRY PROGRAM**

ICMS understands the additional pressures placed on students through significant involvement in sport and the performing arts and we believe this should be considered for entry to higher education. The ICMS Elite Athletes and Performers Admissions pathway is for students whose sport or performing arts commitments may have impacted on their studies.

## **SCHOOLS RECOMMENDATION SCHEME**

ICMS participates in the Schools Recommendation Schemes (SRS), which is processed centrally through UAC. SRS allows current Year 12 students to receive early offers of admission. SRS aims to assist entry to ICMS using a wide range of selection criteria other than the ATAR. These include school recommendations and senior secondary studies. Visit the UAC website for more information on SRS.

## **INTERNATIONAL SPORT COLLEGE AUSTRALIA (ISCA)**

For students who would like to maintain their sports training whilst working towards a qualification, an ISCA Diploma presents students with an opportunity to achieve sporting and academic success, and seek further pathways into higher education should they wish. The ISCA pathway program is ideal for students whose sporting commitments may have impacted their studies. An ISCA Diploma provides subject credits needed for articulation to the second year of an equivalent Bachelor degree at ICMS. Visit [iscaustralia.edu.au](http://iscaustralia.edu.au)

## **ASPIRE INSTITUTE**

For those not quite ready or eligible for a three year bachelor degree, Aspire Institute offers one year stand-alone Diploma qualifications that can also be used as pathway to a bachelor degree at Macquarie University (MQU), University of Technology Sydney (UTS), Western Sydney University (WSU), University of Wollongong (UOW) or ICMS. Visit [www.aspire.edu.au](http://www.aspire.edu.au)

## **APPLY VIA UAC**

ICMS students can apply for undergraduate and postgraduate study through UAC (Universities Admissions Centre) [www.uac.edu.au](http://www.uac.edu.au)

## **APPLY DIRECT TO ICMS**

Student may also apply direct online via our website [www.icms.edu.au](http://www.icms.edu.au)

### **Accommodation**

The ICMS campus is within walking distance of 9 beaches and overlooks world famous Manly beach – rated by travel website TripAdvisor as the best beach in Australia. Staying in ICMS student accommodation is the ideal way for students to immerse themselves in student life, make lifelong friends and make the most of their study and leisure time.

Whether students are looking to stay in Manly's iconic 'castle on the hill' or prefer the independence of a self-catered off-campus residence, the ICMS accommodation team can advise students on their options.

### **Moran House**

Moran House is one of Manly's oldest heritage buildings and is fondly known as the 'castle on the hill'. The iconic sandstone building has one of the world's most spectacular views, overlooking several beaches and within easy walking distance to beaches, shops, cafes and nightlife.

### **Kelly House**

The largest of the ICMS student accommodation options, Kelly House is conveniently located alongside Moran House. You'll also find the Library and Student Success Centre in this purpose-built 1950's student residence which, like Moran House, has one of the world's most spectacular views, overlooking several beaches and within easy walking distance to the beaches, shops, cafes and nightlife of Manly.

### **Claremount Beach House**

Claremount Beach House is an off-campus beach house, offering students the perfect balance of independence, while still enjoying all the benefits of a college-managed residence. Located in the bustling heart of Manly village and a short walk to the beach, this co-ed, self-catered residence is ideal for students seeking an off-campus accommodation experience.

### **Wanganella House**

Wanganella House provides independent students with a comfortable, safe and spacious home away from home. This is a self-managed shared house located in the quiet, leafy neighbourhood of Balgowlah, just a short bus trip from the main campus.

## NEW MENTOR TIKTOK CHANNEL

At ICMS we pride ourselves on our Mentoring approach. That's why we have launched a new TikTok Channel @ICMSWeMentor that offers bite-sized business and success tips and insights for students, from their favourite industry mentors.

## ACADEMIC INTEGRITY & ARTIFICIAL INTERITY

ICMS has revised our academic integrity policies and procedures and tested a new Academic Integrity Partnership Model in 2022. It's now part of business as usual to ensure the integrity of our degrees, whilst recognising the potential opportunities for innovation within learning and teaching.

## ICMS SUPPORTS SLSSNB

Since 2018, ICMS has partnered with Surf Life Saving Sydney Northern Beaches (SLSSNB), a huge boost for the volunteer organisation that provides a valuable rescue service to the community, which is in line with ICMS' vision of supporting the community in which it is based. ICMS replaced Streets (Unilever) as the major sponsor of SLSSNB with the sponsorship contributing to the organisations running costs thereby reducing the cost to its members. Beachgoers can see ICMS branded marquees on the 21 beaches that SLSSNB volunteer lifesavers patrol and guard.

## TWO-DAY TIMETABLE

Given the current low unemployment rate in Australia, students may be enticed to forego tertiary education and jump straight into the job market. Supporting students who may wish to pursue both a career and an education, ICMS offers timetables spanning two days.

## ACCELERATED & PART TIME OPTIONS

Domestic students are able to complete their bachelor degree in just 2.3 years if they wish to accelerate their studies with four subjects per term. Alternatively, they may also choose to study part-time whilst they continue full-time work.

All ICMS degrees are designed to offer flexibility.

## A MESSAGE FROM THE SRC

"I joined the Student Representative Council (SRC) with the aim of enhancing the already exceptional student experience at ICMS.

The SRC strives to establish a precedent for future events, and to maintain the vibrant culture that we have rebuilt since the onset of COVID. Our overarching objective is to infuse the campus with a dynamic atmosphere by promoting sports, clubs, international events, and more.

As SRC members, we are dedicated to amplifying the voices of the student body, ensuring that every individual feels valued and heard.

My daily routine varies greatly, from impromptu meetings to attending classes, managing social media, creating videos, organising events, and working behind the Basement Bar, among other responsibilities.

My time at ICMS has presented me with numerous opportunities, and I am determined to create more avenues for my fellow students."
