Guide for the Innovation Submission Essay (500-1000 words)

The Innovation Submission Essay is your opportunity to showcase how innovation has been a driving force in your academic, personal, and professional life. This submission should reflect your journey of innovation and your potential to contribute to the future.

The Innovation Submission Essay must be between 500 and 1000 words.

Here are key areas to focus on when preparing your Innovation Submission Essay:

Innovation as Part of Life

Innovation isn't just about groundbreaking inventions—it's a mindset of continuous improvement and creativity. Reflect on how innovation has been a part of your everyday life. This could include how you approach challenges, learn new skills, adapt to change, or find innovative solutions to everyday problems. Show how innovation is ingrained in your way of thinking and living.

Innovative Contributions You Wish to Make

Describe the innovative contributions you want to make in your field of study or future career. Whether through research, entrepreneurship, or leadership, explain the impact you aim to have. Highlight specific areas or problems you're passionate about solving and how your innovations can make a difference.

How You Will Make a Mark

Discuss how your innovative contributions will influence your industry or society. How could your work lead to new solutions, improvements, or advancements in your field? Show how your innovations will shape the future and position you as a leader in innovation.

Tips for a Strong Submission:

- Be specific: Share clear examples of how you've demonstrated innovation.
- Be personal: Let your passion and vision come through.
- Be forward-thinking: Focus on the future and how you plan to make a lasting impact.

This is your chance to stand out and demonstrate not just creativity, but also your vision for shaping the future through innovation!

Selection Process

Interview stage

Following the assessment of the submitted documentation, a shortlist of finalists will be selected by the Scholarships Board for a panel interview, which will take place at the ICMS campus in Manly, NSW.

Students who are successful with their essay and meet ICMS entry requirements will progress to the interview stage.

During the interview, the student will be asked a broad range of questions relating to their knowledge of the College and course of their choice, as well as their life and background in general.

Final selection

The final scholarship recipients will be determined based on the assessment of both the submitted documentation and interview performance.

All applicants will be notified of the results by phone and/or email prior to study period commencement.

A letter of acceptance will be issued outlining the details of enrolment at ICMS within seven (7) working days.

Accepting award

Upon notification of being awarded the ICMS Global Innovator Scholarship for Postgraduate Students, the successful candidate is required to inform the College of acceptance or non-acceptance, in writing, within two (2) working days of receipt of notification.
