ACADEMIC EXCELLENCE SCHOLARSHIP

August 2026

Academic Excellence Scholarships are awarded based solely on academic results. Applicants must have a full time or equivalent study load, and have between **4 and 12 subjects remaining (including WIL)** not including the current study period. The scholarship selection made by the Scholarship panel is not confirmed until your current study period results can be assessed. However, do not let this deter you from applying; you do not have to wait. You must have a cumulative GPA score of 4.5 or higher (based on your most recent scores), to be eligible to apply.

This scholarship awards a tuition waiver to the value of up to four (4) subjects for students enrolled in either an ICMS Specialist Bachelor degree or the Bachelor of Business Management. This includes:

Value:

- Highest academic performance as measured by cumulative GPA (or Weighted Average Mark where two or more applicants have the same cumulative GPA) across all degrees - **Full tuition waiver up to four (4) subjects.**
- Second highest academic performance as measured by cumulative GPA (or Weighted Average Mark where two or more applicants have the same cumulative GPA) across all degrees – **Full fee waiver up to two (2) subjects**

Applications Due: 5pm Friday 31 July 2026* - Week 11 (for the August 2026 study period)

A key priority of the ICMS Scholarship Program is to create opportunities for as many students as possible, where eligible. In support of this priority, previous recipients of this scholarship are not eligible to apply.

Study abroad note:

The ICMS Scholarships Program provides opportunities to students who are completing their bachelor's or master's degree with ICMS as their home institution.
