UTS MBA Pathway

WHY ASPIRE?

Your pathway to success

No matter what academic level you're at, Aspire Institute has a course that can support your success. Aspire Institute is part of the International College of Management, Sydney (ICMS). All qualifications in this brochure are ICMS qualifications.

Here's why students from all over the world choose Aspire Institute.

ACADEMIC EXCELLENCE AND SUPPORT

At Aspire Institute, we mentor you with the very best in academic support and student care. We help you find your academic strengths and nurture them with small class sizes, highly experienced teachers, and ongoing support including a Student Success Centre and English language support service.

GLOBAL COLLEGE COMMUNITY

As an Aspire student you are part of the wider International College of Management, Sydney (ICMS) community. Your global career starts here as you make friends and network with students from all over the world. We encourage a happy balance between study and student life, with exceptional student experiences outside the classroom including tours, sports, student societies and opportunities to make a close community of friends.

AUSTRALIAN LIFESTYLE

The Aspire Institute has two campuses in fantastic Sydney locations. Our iconic traditional sandstone Northern Beaches Campus is affectionately called the 'castle on the hill' and offers sweeping views over Manly Beach; while our modern City Campus is centrally located in the heart of Sydney. These spectacular locations offer a student experience that would be hard to beat anywhere in the world. It's also possible to study many of our courses online if that suits your lifestyle best.

CREATE YOUR OWN PATH

Aspire Institute is your pathway to university or college. You might choose to start with an English language program, then complete the Australian Foundation Program before beginning your diploma. After successful completion of your diploma you may wish to further your studies and pathway into the second year of a bachelor's degree at the International College of Management, Sydney (ICMS), with your completed subjects counting towards your degree.

Aspire's Diploma of Business also offers a pathway to enter the second year of a bachelor's degree at Macquarie University (MQU) or University of Technology Sydney (UTS).

At a postgraduate level, Aspire offers students core skills needed to succeed in a master's degree at ICMS through the Postgraduate Qualifying Program. Or you could study our Graduate Certificate of Business to pathway into a Master of Business Administration (MBA) at University of Technology Sydney (UTS).

Whatever your academic level, you will find a course to help you achieve success at Aspire.

Northern Beaches Campus

THE CASTLE CAMPUS
151 Darley Road, Manly, NSW 2095, Australia

Fondly known as 'the castle on the hill' (where Hollywood blockbuster *The Great Gatsby* was filmed), our Northern Beaches Campus is a Sydney landmark dating back to the 19th century.

It is a five-minute walk to Manly's town centre, well known for its shopping precinct, cafés and restaurants, and world-famous Manly Beach. There's plenty to explore nearby – think harbourside bushwalks, snorkelling, surfing, and more. A few minutes' walk in the other direction leads you to the foreshores of the harbour where you can take a 17-minute fast ferry to Circular Quay.

As an Aspire Institute student, you will have access to many facilities, including our library, computer laboratories, tennis and basketball courts, café and bar. Free wi-fi is available throughout the buildings of the campus.

City Campus

THE BUSINESS CAMPUS

Level 4, 451 Pitt Street, Haymarket, NSW 2000, Australia

Sydney is one of the most exciting places to study and work, while also being regarded as one of the most beautiful cities in the world. Our City Campus is located in the beautiful Manning Building, right in the heart of Sydney's central business district. The area boasts the highest residential density in Australia and is one of the liveliest precincts in the Sydney CBD.

You enter the campus through the impressive lobby and make your way to the fourth floor. Your classes are held in our contemporary training and executive education centre, which showcases a vibrant and innovative learning environment, with expansive rooms, modern study areas and an abundance of natural light. There are also complimentary refreshment facilities available.

The City Campus is close to World Square Shopping Centre and only a few minutes' walk from great transport links. Get there via train, stopping at Central Station, or jump on the light rail (tram) and stop at Capitol Square.

A short walk from campus takes you to the entertaining areas of Chinatown, Darling Harbour and Barangaroo waterfront where there are plenty of cafes, bars and five-star dining options to explore.

STUDENT SUPPORT

SUPPORT

Aspire Institute's community prides itself on being more supportive and nurturing than the larger Australian institutions. Aspire has many programs in place to support your academic learning and your English language development.

STUDENT SUCCESS CENTRE

Our Student Success Centre (SSC) has Academic Learning Advisors on both campuses. They can help you develop your academic skills and prepare you for the cultural changes you can expect when studying as a tertiary student in Australia. Take advantage of learning support available and achieve the best academic results possible.

Some of the ways we can support you include:

- Effective study techniques
- Note-taking skills
- Report and essay writing skills
- Referencing and citing information
- Exam preparation techniques
- Time and stress management
- Academic writing
- Oral presentations
- Numeracy support
- Learning support for students with a disability
- Access to Studiosity: 24/7 online academic support
- One-on-one and group advice

PEER ASSISTED LEARNING

The Student Success Centre also runs a Peer Assisted Learning Service (PALS). This is a student-driven program where high-performing students volunteer to assist others in specific areas of their studies.

ENGLISH LANGUAGE SUPPORT

Our Student Success Centre also offers specialist English language support for students who need additional support to improve their written, spoken and comprehension skills.

WELLNESS

Aspire Institute is committed to the personal wellbeing of our students – physically, mentally, emotionally and spiritually. We recognise that personal wellbeing is important for students to progress academically and to have a positive approach to their education and campus experience.

The Student Wellness Team sits within the Student Success Centre. You can consult them for:

- Advice and support
- Referral counselling
- Residential accommodation

STUDENT LIFE

LIFE IN SYDNEY

Sydney is consistently rated as one of the top 10 cities in the world to live. The city has a fantastic education sector, so studying and living in Sydney can be an incredibly rewarding experience. With its beautiful harbour and beaches, a combination of urban and outdoor living, cultural diversity and a friendly community, Sydney is a fun and inspiring city to explore.

Sydney's harbour, pristine beaches and temperate climate allow you to enjoy an active, outdoor lifestyle. It also has a vibrant social and cultural scene – with museums, theatres, galleries, and hundreds of restaurants, bars and cafe. This gives you the chance to meet new friends, no matter what your interests are.

Sydney is also Australia's number one business destination. Many multinational companies are located here and it accounts for a large proportion of the country's economic activity. This means Aspire students have access to some of Australia's finest industry professionals.

AN AUSTRALIAN CAMPUS EXPERIENCE

At Aspire, we don't expect you to spend your entire studies with your head buried in a book. Our students are able to join their peers studying at the International College of Management, Sydney (ICMS). Enjoy the rich social and sporting life available daily during each trimester. Activities often include surfing, running, dance club, golf, touch rugby, netball, basketball, beach volleyball, table tennis, and futsal.

You can also take advantage of weekend trips. Spend a day whale watching in the Central Coast, hike the Blue Mountains, explore the Jenolan Caves, or visit the Hunter Valley for a wine tour.

ORIENTATION

The Student Experience Team organises an action-packed Orientation Week (O-Week) to introduce new students to life at Aspire and help them settle in. The week is filled with important information sessions and fun team-building activities.

These are just a few of the things you'll do:

- Finalise your timetable for classes
- Go on a guided tour of the campus you'll be studying at
- Meet other students through team-building exercises, sporting activities and social events
- Find out more about the course you're studying
- Prepare for an exciting and busy first study period at Aspire

ACCOMMODATION

Aspire offers students a range of on-campus and off-campus accommodation options. Whether you are looking to stay in Manly's iconic 'castle on the hill' or prefer the independence of a self-catered off-campus residence, our Accommodation Team can guide you on your options. Remember to book well in advance to avoid disappointment.

Select your accommodation before you arrive by visiting:
icms.edu.au/accommodation

OFF-CAMPUS ACCOMMODATION OPTIONS

Claremount Beach House

Claremount Beach House (pictured) offers female students a great balance of independence with all the benefits of a college-managed residence. In the bustling heart of Manly, this self-catered shared residence is ideal for those seeking an off-campus accommodation experience.

Wanganella House

Wanganella House provides independent students with a comfortable, safe and spacious home away from home. This is a self-managed share house located in the quiet, leafy neighbourhood of Balgowlah, just a short bus trip from the Northern Beaches Campus.

ON-CAMPUS ACCOMMODATION OPTIONS

Moran House

Moran House is one of Manly's oldest heritage buildings and is fondly known as the 'castle on the hill'. The iconic sandstone building has one of the world's most spectacular views, overlooking several beaches and within easy walking distance to beaches, shops, cafes and nightlife.

Kelly House

The largest of the Aspire student accommodation options, Kelly House is conveniently located alongside Moran House and, like Moran House, has one of the world's most spectacular views. It overlooks several beaches and is within easy walking distance to beaches, shops, cafes and nightlife of Manly.

STUDY IN AUSTRALIA

Australia is one of the most popular destinations in the world for international students. The city of Sydney, with its spectacular student lifestyle and friendly locals, is the ultimate choice for a study adventure abroad. Aspire Institute's campus locations in Sydney's central business district and in the beachside suburb of Manly are irresistible choices for our international students.

WORLD-CLASS EDUCATION

English is the universal business language in Australia. Aspire English, part of the Aspire Institute, offers students dedicated English classes designed to develop language skills and provide an Australian cultural and social experience. The learning and teaching staff at Aspire English prepare students for a smooth transition into further studies in Australia with personalised attention, small class sizes and continuous academic support.

Aspire English offers English language courses to suit your study needs. Choose from General English or Academic English, depending on your level of English proficiency. Many students then progress to further studies offered by Aspire Institute or even to a bachelor's degree offered by the International College of Management, Sydney (ICMS).

WORK OPPORTUNITIES

Studying English and practicing it in your daily life is the perfect way to learn a language – and Australia is a great place to do this as international students are permitted to work while they study. Wages in Australia can be higher than other countries and international students are protected by strict fair-work laws.

CULTURAL DIVERSITY

A significant part of your Australian adventure will be meeting people of diverse cultures. Australia is a multicultural, tolerant and diverse country. Australians are proud of their friendly and welcoming global reputation.

SUPPORT

Australia is a great place to study. The Australian government has established laws to support international students, ensuring their safety and the quality of the education they are being offered. Aspire Institute has representatives in most countries throughout the world who can assist you with your application to study with us.

QUALITY ASSURANCE

Studying English in Australia means meeting global standards. Australia has a national regulatory and quality agency for international education called TEQSA (Tertiary Education Quality Standards Agency). This body is responsible for monitoring national standards for institutions such as Aspire Institute and ICMS.

ICMS has self-accrediting authority (SAA) in the Broad Field of Education (FoE) 08 Management and Commerce and Narrow FoE 1101 Food and Hospitality for Australian Qualifications Framework (AQF) levels 5-9 (excluding research). Courses in the FoE 02 Information Technology are accredited by the Australian Government's Tertiary Education Quality Standards Authority (TEQSA).

Aspire English is also a member of English Australia and NEAS. English Australia is the national peak body for the English language sector of international education in Australia, ensuring that quality English language programs are delivered to international students. NEAS provides quality assurance for the English language teaching community.

GOVERNMENT SUPPORT

In Australia, international student rights are protected by the law under the Education Services for Overseas Students (ESOS) Act 2000. This includes protecting the wellbeing of international students, delivering a quality education experience, and the provision of up-to-date and accurate information. The ESOS Act also employs a Tuition Protection Service (TPS) for international students in the event that the institution is unable to teach your course.

For more information on the ESOS Act, visit: education.gov.au/esos-framework

AUSSIE LIFESTYLE

Australia is blessed with some of the most spectacular natural landscapes in the world. Australians love to enjoy the good things in life: the beautiful beaches, global shopping experiences, cafe culture, and world-class restaurants. Aussies find countless ways to kick off their shoes and enjoy their lifestyle, be it surfing, fishing, kayaking, picnicking, sharing an impromptu game of beach cricket or just soaking up some sunshine.

Australians are also known for their easy-going, friendly attitude. Of course food, events, art and history are all vital parts of Australian culture, but what really distinguishes Aussies is their laid-back outlook on life. It's the reason you'll hear the words "no worries, mate" exchanged between strangers on the street.

Aspire Institute would love to welcome to our campus and support you on your Australian adventure.

DIPLOMA PROGRAMS

GET QUALIFIED QUICKLY

Organisations around the world require people with broad business and management skills. ICMS diplomas, delivered through Aspire Institute, allow you to study an innovative blend of business subjects with exciting, contemporary specialisation areas.

All Aspire diploma students are part of the ICMS student community, with lectures held online, at our Northern Beaches Campus, or at our City Campus. Aspire students receive dedicated academic support, including study skills.

NO ATAR

Aspire does not use ATAR selection ranks for admissions.

GET QUALIFIED QUICKLY

At Aspire Institute, diplomas can be completed in eight months by selecting four subjects per trimester, rather than the standard one-year duration. This means you can get qualified with a diploma in just two study periods.

TRANSITION INTO 2ND YEAR OF A BACHELOR'S DEGREE

Aspire diplomas offer you a stand-alone qualification, or you can use the qualification to pathway into a bachelor's degree program at ICMS, or at one of the prestigious universities we partner with.

HOW IS A DIPLOMA DIFFERENT FROM A BACHELOR'S DEGREE?

A diploma qualification is essentially the first year of a three-year bachelor's degree. As an Aspire diploma student you will be welcomed into the wider ICMS student community, attending small classes alongside first-year bachelor's degree students. You will receive additional support and attention to ensure a smooth transition into a bachelor's degree, if that is your goal and you successfully complete your diploma subjects.

Year 1
Diploma

Year 2 and 3
Bachelor's degree

DIPLOMA PATHWAYS

DIPLOMA OF BUSINESS

Successfully complete your diploma subjects, then transition into the second year of a bachelor's degree at one of the following:

- International College of Management, Sydney (ICMS)
- Macquarie University (MQU)
- University of Technology Sydney (UTS)

Please note, GPA requirements may apply.

DIPLOMA OF BUSINESS

(FASHION AND GLOBAL BRAND MANAGEMENT)

Transition into the second year of a Bachelor of Business (Fashion and Global Brand Management) at the International College of Management, Sydney (ICMS).

DIPLOMA OF BUSINESS (ACCOUNTING)

Transition into the second year of a Bachelor of Business (Accounting) at the International College of Management, Sydney (ICMS).

DIPLOMA OF BUSINESS (MARKETING)

Transition into the second year of a Bachelor of Business (Marketing) at the International College of Management, Sydney (ICMS).

DIPLOMA OF BUSINESS

(ENTREPRENEURSHIP AND INNOVATION)

Transition into a second year of a Bachelor of Business (Entrepreneurship and Innovation) at the International College of Management, Sydney (ICMS).

DIPLOMA OF BUSINESS (INTERNATIONAL TOURISM)

Transition into the second year of a Bachelor of Business (International Tourism) at the International College of Management, Sydney (ICMS).

DIPLOMA OF BUSINESS (SPORTS MANAGEMENT)

Transition into the second year of a Bachelor of Business (Sports Management) at the International College of Management, Sydney (ICMS).

DIPLOMA OF PROPERTY

Transition into the second year of a Bachelor of Property (Development, Investment and Valuation) at the International College of Management, Sydney (ICMS).

DIPLOMA OF INFORMATION TECHNOLOGY

Transition into the second year of a Bachelor of Information Technology, Bachelor of Information Technology (Big Data and Analytics), or Bachelor of Information Technology (Cyber Security) at the International College of Management, Sydney (ICMS).

Diploma of Business

DIPLOMA OF BUSINESS

Your pathway to a business degree at MQU, UTS or ICMS

Organisations around the world require people with broad business and management skills. The ICMS Diploma of Business, delivered through Aspire Institute, allows you to study an innovative blend of business subjects, opening up a range of potential job opportunities.

This diploma will equip you with the skills needed to enter a career in any sector of the diverse and dynamic business industry. You will gain insights into managing people and organisations, marketing, and accounting, while deepening your knowledge of contemporary business practices.

The Diploma of Business offers you a stand-alone qualification through the Aspire Institute, or you can use your diploma qualification as a pathway into the second year of a bachelor's degree at Macquarie University (MQU), University of Technology Sydney (UTS), or the International College of Management, Sydney (ICMS).

Upon successful completion of the Diploma of Business you will receive advanced standing (credit) for subjects which are part of a Bachelor of Business degree at MQU, UTS or ICMS. Please note, GPA requirements may apply.

CRICOS code: 115069A

OUR NETWORK IS YOUR NETWORK

At ICMS, our Work Integrated Learning (WIL) program is unlike any other, ensuring you graduate with more than a bachelor's degree.

We give you access to our network of 1,000-plus industry partners in Australia and overseas. Through 600 hours of professional placement included in your bachelor's degree, you'll learn valuable skills and make industry contacts. It's one of the key ways we help you fast-track your career.

DID YOU KNOW?

100% of our degree students graduate with industry experience.

LEARN MORE ABOUT WIL

Here's how it works

1. GET PREPARED

Our Professional Placement Preparation Program is the first part of WIL. You'll attend workshops, get mentoring, update your resume and perfect your interviewing skills so you can make an impact during your professional placement.

2. CONNECT WITH INDUSTRY

Our professional placement consultants work closely with you to find an organisation that aligns with your skills, interests and talents. It could be a business in a local or regional area – or even overseas!

3. TRY YOUR DREAM CAREER

Use your professional placement to learn new things, make industry connections, and get a taste for your chosen industry. Three in four ICMS graduates receive job offers from their WIL placement companies – it's the best way to make a great impression.

Please note, a minimum GPA requirement from the ICMS diploma may apply.

What course are you studying at UTS and why did you choose this?

I chose to specialise in finance at UTS because I enjoy numbers and maths.

How did you find your transition to UTS from Aspire Institute?

The transition was pretty smooth and easy. Most of the work to do with the transition was done by the Aspire team.

How did you find your time living on campus at Aspire Institute while studying your Diploma of Business?

I enjoyed living on campus because I could spend more time studying, while enjoying my free time with friends who also lived on campus.

Would you recommend Aspire?

Yes, I would. I have actually already recommended Aspire to my cousin and friends.

What is your dream job?

I aim to work for a big organisation while still running my own business. I would also like to use my skills in some way to uplift society.

STUDY ENGLISH

LANGUAGE

English is the most widely used language for business, academia and tourism. Speaking English with confidence is a major advantage in today's competitive and globalised job market.

Organisations and corporations around the world expect you to speak English, while also being able to adapt to cross-cultural environments. At Aspire English you will learn the world's language in a truly international environment.

GENERAL ENGLISH

Overall IELTS 2.5 (Writing, Speaking, Reading and Listening 2.0)

This course is ideal for you if:

- You are an international student.
- You want to study in Australia.
- You have beginner-level English language skills.
- You want to get a better job in Australia.
- You want confidence to take the Australian citizenship test.
- You want to improve your English reading, writing, listening and speaking skills.
- You want to make English-speaking friends.

ACADEMIC ENGLISH

Overall IELTS 5.0 (Writing, Speaking, Reading and Listening 4.5)

This course is ideal for you if:

- You are an international student.
- You want to study in Australia.
- You meet the academic requirements for our pathways but need or would like additional English language proficiency before beginning your studies.

Studying at Aspire English equips you to think and act with the confidence of a native English speaker. You will develop the language skills needed for real-life scenarios, including professional situations and problem solving.

With mandatory national standards and a comprehensive, industry-led quality support framework, you can be confident that you're getting the very best English education language education at Aspire English.

AUSTRALIAN FOUNDATION PROGRAM

AUSTRALIAN FOUNDATION PROGRAM

The Australian Foundation Program is a practical qualification which prepares students to begin employment, while also enabling a smooth transition into further studies in Australia.

It equips students with the foundational skills needed by employers. It can also be used to assist with entry into an Aspire Institute diploma course, possibly leading to a bachelor's degree.

A SOLID FOUNDATION

The Australian Foundation Program provides students with the following advantages:

- The skills needed to begin working.
- Preparation to transition smoothly into further studies.
- Classes held in a beachside location or city centre.
- A hands-on, practical approach to teaching.
- Small, individual classes.
- Extra academic support.
- A direct path to entry into an Aspire Institute diploma program, possibly leading to a bachelor's degree at ICMS or one of our university partners.

Note: Minimum GPA requirements must be met to pathway into a bachelor's degree (3.0 or higher for degree entry).

QUICK FACTS

Course Name:	Australian Foundation Program
CRICOS Course Code:	076374G
Accreditation Status:	Non Award
Campus:	Northern Beaches Campus, Manly City Campus, Sydney
Course Duration:	2 trimesters (8 months)
Intakes:	Feb/May/Aug
Entry Requirements:	To be eligible for admission, students need to successfully complete the equivalent of Australian Year 11 standard education and be at least 17 years of age when they start the program
English Requirements:	IELTS (or equivalent) – overall 5.5; writing 5.0; speaking 5.0; reading 5.0; speaking 5.0

AUSTRALIAN FOUNDATION PROGRAM

WHO IS THE AUSTRALIAN FOUNDATION PROGRAM FOR?

The Australian Foundation Program is designed for international students:

- who would like to undertake a foundational qualification and develop the study, language and cultural skills needed to succeed in Australia
- who are new to study in Australia who would like an introductory program before progressing to a full diploma qualification
- who have not completed the equivalent of an Australian Year 12 (final year) of schooling.

THE BENEFITS OF THE AUSTRALIAN FOUNDATION PROGRAM

The pace, style and teaching philosophy supports international students who have English as a second (or third) language. Here's how:

- Tutorial class sizes are limited to 15 students.
- Student support staff provide academic and wellbeing support to students and organise social, cultural gatherings and sporting activities.
- The use of English in the academic context is studied as two separate subjects, providing specific, focused support to English as a second language (ESL) ESL speakers.
- An integral part of the program is providing an introduction to Australian society and culture.
- Students may enter the program at various times throughout the year to suit their differing home country academic calendars.
- The curriculum is designed by ICMS academic staff to incorporate the specific knowledge and skills identified as prerequisites for study in undergraduate degrees.
- Students can live in ICMS student accommodation.
- Students have full access to all ICMS campus facilities.

Note: The Australian Foundation Program meets the requirements for Foundation Studies registered on CRICOS for delivery in Australia to overseas students providing academic preparation for seeking entry to first-year undergraduate study or its equivalent.

COURSE STRUCTURE

Foundation students complete a total of 728 hours delivered through face-to-face lectures, tutorials and supervised self-directed study. Concepts introduced in lecture format will be examined, amplified and explained in tutorials with the generous use of practical examples.

Trimester 1		
Modules	Lecture/tutorial hours	Supervised study hours
English 1	6	2
Essentials of Computing	4	1
Intro to Accounting	4	1
Business Principles	4	1
The Law in Australia	4	1

Trimester 2		
Modules	Lecture/tutorial hours	Supervised study hours
English 2	6	2
Australian Cultural Studies	4	1
Intro to Service Management	4	1
Mathematics for Business	4	1
Intro to Economics	4	1

Learning methods used in the Australian Foundation Program include direct instruction, discussion, group work, co-operative learning, problem solving, student research, role play/simulations, and case studies/case methods.

POSTGRADUATE QUALIFYING PROGRAM (PQP)

PATHWAY TO POSTGRADUATE STUDIES

Postgraduate Qualifying Program (PQP)

This course is ideal for you if you want to:

- Improve your academic English language skills to transition successfully into Australian university-level postgraduate courses.
- Develop core business knowledge before entering a master's course.
- Gain confidence in both academic subjects and English language skills before embarking on postgraduate studies.
- Improve English and business knowledge before working.

In the Postgraduate Qualifying Program you will complete four subjects designed to advance your business knowledge and build the verbal and written English skills necessary for a successful postgraduate learning experience.

Through the inclusion of postgraduate-level academic subjects, you can gain credit toward an ICMS master's degree. So, when you progress, you'll not just have had a taste of postgraduate management studies, you'll also have completed part of your master's degree.

COURSE OVERVIEW

Term 1		
Subject Type	Subject Code	Subject Name

To progress to a Master of Business Administration (MBA) degree course at ICMS, you are required to complete the PQP and have a minimum GPA of 3.0 (pass mark for academic subjects).

MASTER'S DEGREES AT ICMS

The Postgraduate Qualifying Program (PQP) is your pathway to successful postgraduate study. Combining academic and English language subjects, the PQP helps you develop the core skills for a smooth transition into English-language postgraduate studies.

Upon successful completion of the PQP, you can gain entry into one of the following master's courses at the International College of Management, Sydney (ICMS).

Additional criteria applies to gain entry into one of ICMS's Master of Business Administration (MBA) degrees.

MASTER OF MANAGEMENT
2 Years
PQP + 10 subjects + work placement

Managers increasingly require broad advanced theoretical knowledge and applied techniques to effectively lead organisations through periods of complexity, uncertainty and change. The ICMS Master of Management is a postgraduate degree designed to sharpen your industry knowledge and prepare you for a leadership role.

The course provides highly developed business knowledge and skills covering topics such as responsible leadership, ethical decision-making and effective management of private, not-for-profit and public-sector organisations.

CRICOS Code: 078929F

MASTER OF EVENT MANAGEMENT
2 Years
PQP + 10 subjects + work placement

The ICMS Master of Event Management is designed for working professionals seeking formal qualifications, as well as students seeking exposure to best practice within the event sector.

Successful events can result in sustainable social, economic and infrastructure outcomes. With a strong emphasis on the international event sector, the Master of Event Management is designed to develop strategic management skills and knowledge that can be applied to the delivery of events in a range of local, national and global settings.

CRICOS Code: 097379G

MASTER OF MANAGEMENT (TOURISM AND HOSPITALITY)
2 Years
PQP + 10 subjects + work placement

The ICMS Master of Management (Tourism and Hospitality) is designed to provide an advanced understanding of how tourism and hospitality organisations function, including the diverse challenges they face and the complex environments in which they operate.

You will develop the cutting-edge professional management, communication, analytical and practical decision-making attributes required to make a valuable contribution to the tourism and hospitality sector.

CRICOS Code: 113110K

MASTER OF INFORMATION TECHNOLOGY
2 Years
PQP + 10 subjects + work placement

The ICMS Master of Information Technology (MIT) is an innovative postgraduate degree which meets industry's growing demand for professionals with technology and technical infrastructure expertise.

This course provides students with valuable, real-world IT industry experience that marks them not just as technically skilled, but job ready for this rapidly evolving industry.

CRICOS Course Code: 115064F

MASTER OF INFORMATION TECHNOLOGY (BIG DATA AND ANALYTICS)
2 Years
PQP + 10 subjects + work placement

The Master of Information Technology (Big Data and Analytics) is for students who want to design, develop, and implement contemporary and creative data analytics solutions to complex real-world problems.

Big data and analytics professionals leverage the power data to inform strategic decision-making and drive change within organisations.

CRICOS Course Code: 115066D

MASTER OF INFORMATION TECHNOLOGY (CYBER SECURITY)
2 Years
PQP + 10 subjects + work placement

The ICMS Master of Information Technology (Cyber Security) prepares a new generation of leaders with the knowledge and skills needed to tackle the rise of cyber threats, generative artificial intelligence (AI) and shifts in human behaviour.

You'll become holistically equipped to play your part in the war against adversarial AI and cyber crime.

CRICOS Course Code: 115065E

“Our graduates are analytical problem solvers with a depth of industry knowledge and professional industry experience. Our graduates leave ICMS ready to succeed as outstanding business leaders.”

Dr Leonid Petrov
Dean (Business and Management)

GRADUATE CERTIFICATE OF BUSINESS

UTS MBA PATHWAY

GRADUATE CERTIFICATE OF BUSINESS

Managers increasingly require highly developed knowledge and a broad set of applied techniques to function effectively in contemporary business organisations.

The Graduate Certificate of Business is designed to expose students to contemporary business theories, concepts and skills that form the basis of successful management across a range of economic sectors.

The course focuses on developing advanced conceptual, transferable and professional attributes through a program of student-centred learning.

Upon completion of the Graduate Certificate of Business, students may be eligible to enter into the second trimester/ semester of any ICMS master's degree or a Master of Business Administration (MBA) at the University of Technology Sydney. Note: The ICMS MBA suite of courses requires a GPA of 3.0.

This course is ideal for you, if you:

- Want to transition into a **Master of Business Administration (MBA)** at the University of Technology Sydney (UTS).
- Want to transition to a master's degree at the International College of Management, Sydney (ICMS).

Entry Requirements

REQUIRED FOR PACKAGED VISA WITH THE INTERNATIONAL COLLEGE OF MANAGEMENT, SYDNEY (ICMS) TO STUDY THE ICMS GRADUATE CERTIFICATE OF BUSINESS

Applicants must meet **one** of the following criteria:

- A** - Successful completion of a bachelor's degree (AQF Level 7) from an Australian higher education institution or overseas equivalent.
- B** - Successful completion of an overseas higher education course of at least three years duration (minimum AQF Level 6 or equivalent), with a minimum credit grade average (GPA 3.0 on a 5-point scale).
- C** - Successful completion of a recognised diploma or advanced diploma (or equivalent as recognised by the Australian Government's qualifications recognition tool) with at least four years relevant full-time work experience.
- D** - Successful completion of an approved Postgraduate Qualifying Program from an Australian higher education institution or overseas equivalent.
- E** - At least five years appropriate full-time managerial or professional experience.
Applicants must demonstrate a recognisable level of responsibility as part of their work experience. Position accountability in a range of areas such as budgeting, staffing, project management, financial management or other relevant supervisory experience should be evident in the applicant's work history. While senior levels of volunteer experience may be considered, normally the majority of the work should be in a paid, full-time capacity.
- F** - Successful completion of at least two award or at least two non-award subjects (at AQF Level 8 or above) from an Australian higher education institution or overseas equivalent.

English Language

- IELTS (academic), or equivalent: Overall 6.0; Writing, Speaking, Reading and Listening 5.5
- TOEFL i-BT: Overall 4; Writing, Speaking, Reading and Listening 3.5
- Pearson (academic): Overall 50; Writing, Speaking, Reading and Listening 48

REQUIRED FOR PACKAGED VISA WITH UNIVERSITY OF TECHNOLOGY SYDNEY (UTS)

Applicants must meet **ALL** of the following criteria:

- A** - Receive an unconditional letter of offer for the Graduate Certificate of Business
- B** - Have a qualification equivalent to an AQF bachelor's degree, or an AQF associate degree according to the Department of Education and Training (DET) – Country Education Profiles.
- C** - Meet the UTS English language requirement for entry into the MBA.
- D** - Apply through UTS-approved agents and Aspire Institute agents. Direct applicants will not be accepted.
- E** - Not be prohibited under local or international legislation including the Australian Sanctions law or United Nations sanctions regime.

English Language

- IELTS (Academic): 6.5 Overall, Writing 6.0
- TOEFL (Internet-based): 79-93 Overall, Writing 21
- PTE (Academic): 58-64
- CAE: 176-184
- AE5: PASS

ARTICULATION REQUIREMENTS FOR UTS MASTER OF BUSINESS ADMINISTRATION

At least 75% of subjects completed at a pass level or better.
